The meeting was called to order at 5pm at Memorial Park.

Dan and Tom met with Stephen Bodio and Chris Collins at Memorial Park. They discussed the proposed locations of the new double batting cages. All agree the best location is in place of the existing cage, along the tennis court. The Commissioners agree to contribute up to \$5,000 towards the base landscaping as this will benefit us by reducing mowing. Chris explained the plan to install new posts and a stone dust base.

The Commission discussed the proposed sponsorship signage. Stephen Bodio explained they have been offered an opportunity to get a sponsorship from a company in exchange for signage on the Pezzella dugout. The commission discussed the past history and agree this is a sponsorship of the league and not the facility. All are in favor of the sign and allowing NYB to move forwards.

The meeting was adjourned at 6pm.
