Mendon May 19. 1903

The Committee met this day at the Record rooms agreeably to adjournment. All the members were present. Eugene F. Lynch was present and agreed to have the building completed in 19 weeks from the time the foundations were ready for the sills, and said that in the event of his being delayed more than four weeks in procuring his 2" x 6" floor joists. he should want the town to pay ½ the cost of having said joists sawn at the yard. making an additional cost to the town of $7.50 and it was agreed that both proposals should be inserted in the contract. Mr. Lynch named as sureties on his bond Patrick Lynch and Michael W. Edwards both of Milford. After Mr. Lynch had retired from the meeting it was agreed that H. C. Adams should inquire at Milford in regard to the financial standing of Mr. Lynch and the sureties named by him.
Adjourned to May 20. at 7½ o'clock.

Attest. Horace C. Adams Secy

Mendon. May 20. 1903.

The Committee met this day at the Record rooms agreeably to adjournment. All the members present.
Horace C. Adams reported that the information obtained by him was. that the financial standing of Eugene F. Lynch. Patrick Lynch and Michael W. Edwards was such that they

could be deemed good for the fulfilling of the conditions of the contract and bond. He also reported to Robt Allen Cook that portions of the basement wall were unsatisfactory and Mr. Cook was to meet the Committee on Thursday the 21st inst at 11.30 o'clk at the School lot.

Voted: To accept Patricks Lynch and Michael W. Edwards both of Milford as sureties on bond of Eugene F. Lynch.

Adjourned To Thursday May 21st at 11.30 o'clock AM at the School lot.

Mendon. May 27. 1903

Messrs. Allen and Adams of the Committee met Robt Allen Cook at the School lot. Patrick Ferguson Contractor refused to go on with the work, as required by Contract and by the Architect, and ordered his men to quit work and they did as ordered by the Contractor

May 28. 1903. Patrick Ferguson resumed work upon basement and foundations this day.

Mendon June 1. 1903

The Committee met this day at the Record rooms at 7½ o'clock P.M. All the members present. Robt. Allen Cook Architect and Herbert F. Taylor were present. Patrick Ferguson of Milford was also present. The committee endeavored to come to an agreement with Mr. Ferguson for extra work done by him, by reason of the basement wall being 20 feet too long. The committee offered him $275. for the extra work, his lowest figure was $325. he refusing to accept the $275. It was then agreed that the sum to be paid should be fixed by Arbitrators as provided in the Contract. The Committee notified him they were ready to name their arbitrator. he replied that as soon as he had

selected his arbitrator he would notify Mr. Cook. and Mr. Cook it was agreed should notify the Committee.

Mendon June 5. 1903.

The Committee met this day at the School lot at 7 o'clock P.M. all the members present. Robt Allen Cook also present. The Ashlar work was found unsatisfactory. Cement was poor, stones not of proper thickness. the whole character of the work was not up to the standard called for in the contract. The whole front was ordered to be taken down and rebuilt. and the wall on the south side Mr. Cook was to further examine and do as he should deem best in regard to having it rebuilt. The Contractor P. Ferguson having ben absent for several days more than the number specified in the contract as the limit, Robt Allen Cook was ordered to notify him to proceed at once with the work, and in the event of his failing to do so within the time limit named in the contract, to agree with some other party to go on with the work and complete it.
