

**Your Mendon Cultural Council is seeking residents to volunteer a small amount of time to help further the Arts in our Community.**

The primary focus of the Mendon Cultural Council is to distribute state-funded grant monies which support many art, science, and music programs in our schools, our Senior Center, the Taft Public Library, the town beach, as well as family activities of all kinds throughout our town all year long.

Members of the Mendon Cultural Council are municipally appointed. There is a minimal time commitment and NO experience is necessary.
