Facility Use Policies:

- This permit allows an individual(s), league, team and their families and spectators to use these facilities.
- The User will only use the field for intended purposes and only during the agreed dates and times.
- Users are responsible for damage to fields and/or facilities inflicted by the individuals, leagues, families, and/or spectators.
- A representative may be requested to attend a Parks Department meeting prior to approval.
- The Parks Department reserves the right to alter this agreement due to weather or scheduling issues.
- **The Parks Department reserves the right to revoke the privileges of any users not adhering to the agreement in this letter.**

Wet Field Policy:

If any fields are to be closed, the Parks Department will post a "Field Closed" sign on that field. A good faith effort will be made to contact the person/group using the field by email. It will be the User/Group Field Coordinator's responsibility to check the fields for posting and notify the appropriate people in a timely manner. Any person's found using a posted field will be held responsible to pay for the damages.

In the event that the Field Closed sign has not yet been put up or in the event of inclement weather user groups/coaches are expected to make educated and responsible decisions regarding field conditions and playability, keeping in mind the current and future quality of turf for ALL users.

In general, if you see standing water or hear a "squishy" sound when walking on the turf, or have mud on the bottom of your shoes after walking on the turf, the field is too wet to allow play without damage to the field.

Any person(s) found using a wet field resulting in damages will be held responsible to pay for those damages.

Vehicles – No vehicle is to be driven onto any field without written permission. All vehicles must remain in marked parking areas.

Field Marking/Stakes/Etc. :

Groups must receive permission before applying any type of marker(s)/paint to the fields. This includes anything that will not wash away in the rain. One-time events should use temporary chalk lines. Groups must check with the Parks Department before inserting any stakes into the ground. There are several buried water and electrical lines.

Food Sales & Concession Stands:

Any group wishing to use the concession stands or sell food products is responsible for obtaining the necessary permits from the Board of Health. The group is responsible for complying with all Federal, State, and Local regulations regarding the operation of a food establishment.

No one may possess, consume, or sell any alcoholic beverage without the authorization of the Parks Dept. and a liquor license from the Board of Selectmen.

Open Fires, Grills, etc:

Fires are **NOT** permitted on Parks property without written permission from the Parks Dept. and Fire Dept. This includes "bonfires", cooking fires, or any type of enclosed fire pit. Grills, BBQ's, or other cooking devices may be allowed with prior approval from the Parks Dept.
