Massachusetts General Laws Regarding Injury to Surface of Way.

Injury to surface of way; traction engines and heavy vehicles; permits; regulations; liability.

Except as provided in section nineteen A of chapter ninety, no vehicle shall travel or object be moved, on any public way, which has any device attached to or made a part of its wheels or the rollers or other supports on which it rests, which will injure the surface of the way; nor shall any vehicle travel or object be moved, on any public way, which weighs more than fourteen tons, or in the case of a vehicle equipped with pneumatic tires, more than fifteen tons, without a permit from the board or officer having charge of such way provided, that not such permit shall be required for the operation of a vehicle having three axes, whether or not so equipped, which does not weigh more than twenty tons. No vehicle shall travel, or object be moved, on any public way, the weight of which resting on the surface of such way exceeds eight hundred pounds upon any inch of the tire, roller or other support, without such a permit. All the aforesaid limitations as to weight shall be inclusive of the load. (MGL Ch. 85 P. 30)

Any person violating any provision of section thirty, thirty A, or thirty-one, or the regulations made or permits granted under authority thereof shall be punished by a fine on not more than one hundred dollars (\$100.00), to be paid to the commonwealth when state highways are injured and to the county, city, or town when any public way is injured which is under the care of said county, city or town, for use on the public ways of said county, city or town.

The undersigned agrees that he/she has read and understands the requirements of MGL regarding injury to surface of way and also agrees to abide by them.
