

Town of Mendon
Water Commission
Meeting Minutes
February 18, 2015

Attending: D. Watson, D. D'Alessandro, A. Kent; George of Gasco.

The meeting was called to order by Chairman D. Watson at 7:00 PM.

The Commissioners discussed 25 Cape Rd with George from Gasco. George wanted to know if he had permission to install sub-meters on the property. Right now, Gasco owns the gas station and store in the front of the property. The back buildings are rented out and one of them uses a large volume of water for their wash bay. George would like to install sub-meters so that the bill can be shared fairly between the parties. The Commissioners gave him permission to do so and will put him in contact with Tim Watson, the Certified Water Operator for Mendon. They also made it clear that George would be responsible for the sub-billing and would still receive one bill from the Mendon Water Commission for all of 25 Cape Rd's water usage.

The Commissioners reviewed their requested budget for FY16 in preparation for their meeting with the Finance Committee.

A. Kent made and D. D'Alessandro seconded a motion to approve the meeting minutes dated September 30, 2014. The motion carried unanimously.

The Commissioners signed the current commitments and abatements.

D. D'Alessandro made and A. Kent seconded a motion to adjourn the meeting at 7:45 PM. The motion carried unanimously.
