The board reviewed the septic inspection card that the town of Hopkinton uses. Andy asked Missy to create a version for them to review for the next meeting. They then reviewed the new well permit application. They agreed on some changes. Missy will send out the revised version for the next meeting.

Next, they reviewed the new bills that were received from the VNA. They accepted what the VNA submitted and will pay the bills from January 1, 2021 to June 30, 2021. Andy will stop by the office and sign the addendum to the contract.

Missy received an email from the owner of 4 Elm Street regarding his neighbor at 8 Hastings Street and the rabbit cages. 4 Elm Street has a shallow dug well and is concerned about the waste from the rabbits contaminating his well. Currently, there is nothing in the private well regulations regarding distance of animal waste to private well. The board asked Missy to send Max Carbone the Animal Inspector to do an inspection.

Next meeting will be June 23, 2021 at 7:00 p.m.

Alan made a motion to adjourn the meeting. Andy steps down as chair seconds the motion. Both members agreed. Meeting adjourned at 7:56 p.m.
