Scholarships – The Board received 3 scholarship applications. Two of the three applications were from Alan's daughters and because of the personal relationship; Alan recused himself from all discussions. Upon discussion between Andy & Tom, it was decided that the \$1,500.00 scholarship money, which was made available by Republic Services (Mendon's Trash/Recycle company) would be awarded equally amongst the applicants, as all applicants submitted very impressive applications. Andy stepped down as Chairman and made a motion to award three \$500.00 scholarships to those who had applied. Tom seconds the motion. Both members agreed. Motion carried.

71 Hartford Avenue West – The Board received an application for a beaver permit. Tom made a motion to approve the permit. Alan seconds the motion. Both members agreed. Motion carried.

The Board received applications for Temporary Food Permits for an event at the Twin Drive-In on Milford Street. Upon review of the application, the Board questioned the information provided. In addition, the application was not submitted 30 days prior to the event, which is required by the Board. The Board signed the permits with strict instructions to Missy to not release the permit until the application documents the proper information. The Board discussed having the owners of the drive-in attend the next meeting to discuss the process with them. Further discussion will determine course of action.
