The Board has asked Missy to do some research on temporary food permits with the surrounding towns. The research would include items such as fees, allowed timeframe to submit permits, particular guidelines, etc. The Board will discuss results at the next meeting.

The Board is reviewing a sample letter that DJ Wilson (Tobacco Control Director & Public Health Liaison at Mass. Municipal Association) emailed to Missy. The purpose of this letter is to inform the tobacco retailers in Mendon of the new Tobacco Regulations adopted back on May 13, 2015. In addition, the letter would be accompanied by signage that the retailers will be required to post in their establishments.

Tom made a motion to accept the minutes from April 2, 2015 and May 13, 2015. Alan seconds the motion. All members agreed. Motion carried.

Tom talked to the Board about the possibility of allowing the Mendham Brush Association (aka Brothers of the Brush) to use one of the two dumpsters that is donated to the town annually by Republic Services. Tom explained that the Brothers are going to be stripping the existing roof shingles and putting on new ones at the Roger L. Wood Post 355 on Milford Street. Tom asked if the Board would approve use of the second dumpster, which has not yet been allocated, for this cause since the fiscal year is coming to a close. Andy made a motion to allow the Brothers of the Brush to use the second donated dumpster. Alan seconds the motion. Both members agreed. Tom abstained as he is the Treasurer for the Brothers of the Brush.
