However, no one came forward expressing interest as of yet. The Board was tremendously grateful & thankful for Max's service. The Board recognized his admirable performance of his duties. He presented himself with a high level of positive spirit & genuine passion. The Board wished him much success in his future endeavors. The Board directed Missy (Sr. Administrative Assistant) to contact the Board of Selectmen to inform them of Max's resignation to make them aware of the void this will create with regard to certain animal issues that may arise, particularly dog bites.
