

The Mendon Cultural Council needs members!

The primary focus of the Mendon Cultural Council is to distribute state-funded grant monies which support art, science, and music programs in our schools, our Senior Center, the Taft Public Library, the town beach, as well as family activities of all kinds throughout our area.

Members of the Mendon Cultural Council are municipally appointed. There is a minimal time commitment and NO experience is necessary.

If you are interested in becoming a member, please contact the Mendon Cultural Council to volunteer.

Our Cultural Council is part of the Massachusetts Cultural Council which is made up of a larger network of 329 Local Cultural Councils serving all 351 cities and towns in the Commonwealth. It is the largest grassroots cultural funding network in the nation, supporting thousands of community-based projects. The state legislature provides an annual appropriation to the Massachusetts Cultural Council State Agency which then allocates funds to each community.
