MEETING DATE	August 22, 2019
LOCATION	First Floor Meeting Room Town Hall
STATUS	approved 1/17/22

PRESENT: Lynne Roberts, Kathy Schofield and Brendan Channele

### 1. Meet with Single Home Historic District Homeowners

Brendan Channele of 16 Washington Street came in to discuss historic district designation with the Commission members. We discussed some of the challenges faced by historic homeowners and resources that are available to them. Some concern was expressed by the Commission on the future of Washington Street and the historic homes that line this residential area. Proposed commercial growth behind these properties will have a direct impact on these homeowners. The commission members encouraged the homeowner to talk to neighbors and see if they have feedback they would like to share with the Commission. The Commission is hoping to present a workshop in the future for historic homeowners to help navigate their concerns and provide a list of resources for them.

The following agenda items were discussed briefly but no decisions were made as a quorum was not present:

- 2. Review Policy and Documentation 143 Hartford Ave East
- Review Demolition Hearing Paperwork 30 Miscoe Road – paperwork is in order for the hearing scheduled for August 27. To date no written correspondence has been received from abutters.
- Review 145 Millville Street Demolition Request
- November STM

### 6. Any other items not anticipated prior to the meeting
