7:10 Call to Order

Kathy called the meeting to order.

7:10 Review Demolition Permit for 7 Nipmuc Drive

Kathy and Janice reviewed the documents for 7 Nipmuc Drive and the accompanying photos and supporting information. Based on the criteria for demolition delay both agreed that a delay should be considered. 3 of the 4 criteria appear to apply. Kathy will request a special meeting to take a vote on the demolition permit. A quorum was not available this evening so no vote was taken.

7:30 Report on Police Station Meeting

Janice reported on the police station meeting this month. Kathy and Janice discussed some of the plans to retain the historic character of the old fire station building. Janice will take recommendations from the Commission to guide the process. Kathy referenced the old windows and how those may be retained along with the old doors on the second floor. There was some discussion about whether or not it was possible to sell features of the police station to raise funds to put towards the new building.

7:40 Adjourn

Janice moved to adjourn. Kathy seconded the motion. All voted in favor of the motion.
