The meeting was called to order at 11am with all three in attendance.

Dan updated the commissioners on Paddle Nights. Unfortunately, the weather has not been great, and we have not gotten much for registrations.

The commission reviewed the town beach project. They finalized the RFP documents. They reviewed the updated proposal for the entrance from North Smithfield Fence. Instead of a sliding gate we will enclose the lower area at the base of the stairs. They reviewed the recommendations from UniLock on block and paver materials.

AJ updated the commission on the Rock the Block event.

The meeting was adjourned at 12pm.
