

Town Forest Committee  
Minutes of February 22, 2016

Present: Ryan Oliva, Paul Doucette, Sue Barnett, Bill Dakai

Meeting commenced at 1805.

Minutes from prior meeting read. Paul motioned, Ryan seconded, unanimously approved.

We looked at newly purchased signs and blazes to mark the trails and signed paperwork for reimbursement.

We tentatively selected Tetrault, Inc. as the contractor for parking lot construction, pending approval by the BOS at next week's meeting. Bill will call Tetrault to verify that bid amount is still valid.

We also viewed progress Bill is making on the map.

Meeting adjourned at 1850.
