Tim Watson, Mendon's Certified Water Operator, suggested that the Commissioners have the company send them a bill for \$7,000 by June 30 to be paid with remaining FY14 funds. Then, they should have the company send them a bill for the remaining balance of \$2,800 after July 1. The total price of the wand is \$9,800. D. D'Alessandro made and A. Kent seconded a motion to purchase the wand for \$9,800 using this split payment method suggested by T. Watson. The motion carried unanimously.
