*The meeting was called to order at 7:00 with Kevin and Vin in attendance in person.*

There are no minutes to review.

The commissioners signed the White Water contract bill and the invoice from HydraTech for the Dudley Rd meter replacement.

Dan updated the commissioners on the Consumer Confidence Report. All reviewed the draft and approved.

The commissioners discussed reorganization of the commission.

**Vin made a motion to nominate Kevin as the chair, Kevin seconded, and both approved.**

The commission reviewed the budget.

Kevin asked about the water study, there are no updates at this time.

The commission discussed the Cape Rd contract, we are waiting on town counsel to review the contract. There are no updates from Jack Hunter.

The commission discussed the Dudley Rd meter project. The meter has been swapped out. We still need to install the electronics for remote monitoring, but the meter can be read, same as the old one for now. The commissioners discussed the old meter. Hopedale took the old meter back. The commissioners believe Mendon owns the meter and Hopedale just wants the scrap value. Vin will follow up with Hopedale on this issue.

The commission discussed an issue with 5 Cape Rd. The previous tenant moved out and stopped paying the water bill and the owner was not aware. He is willing to pay the balance but asking the commission to waive the interest and penalties (\$261.42). He will pay the bill going forwards rather than the new tenants.

**Kevin made a motion to abate the penalties and interest on 5 Cape Rd, provided the owner paid the balance due, Vin seconded, and all approved.**

**Kevin made a motion to adjourn at 7:36pm, Vin seconded and all approved.**
